# **ABOUT US**

## **Who We Are ...**

GreenSeas was founded in 2018 to serve the marine and offshore industries in Egypt, the Middle East and Africa. We provide to our clients a wide and comprehensive range of proven services combine among the engineering solutions, professional consultancies and execution capabilities. Nowadays, we operate in the Middle East though a network of agents and currently we are working on deliver our services to Africa.

## **Our Vision ...**

Our vision is to be the leader in the services we provide and how we successfully accomplish them. In addition, we aspire to be "all-in-one" service provider and to all the needs of marine and offshore industries through a chain of trusted and dedicated partners and agents.

## **Our Mission ...**

Our mission is to improve the services we provide ourselves in terms of quality, cost and time-efficiency. We keep teaming up with other partners and agents, around the world, with the same vision and standards to maintain and improve the well-connected chain of service providers.

## **Our Values ...**

To improve our culture, we provide importance to keen values such as Customer Satisfaction, Service Orientation, Strong Partner Relation, Growth & Diversification, Decision Making, Idea Implementation, Teamwork and Employee Motivation ... etc.

**MISSION**

**VISION**

**VALUES**

# SUPPLY & TRADING

**We Supply All ...**
